

# General Usage

**statbook mac version 3.2.2**

**mac os 10.5.8, intel based processor**

**baseball**

**ERROR:**

**database error 19**

**Stat.Batted may not be NULL**

**I entered my team of 17 players and was 'playing' with the software before my season starts. I added a new player to my roster, then I tried to add him to a game. This is when the error occurred.**

**Any ideas?**

**Mark**

This has been fixed in version 3.3.
